- The zookeeper will close his or her eyes and instruct other players how to move around the circle (skip, run, jump, etc.). Make sure to keep your distance.
- When the zookeeper is ready, he or she says, "freeze," points to someone, and shouts out an animal.
- If you are chosen, you have to make the sound of an animal that the zookeeper says.
- The zookeeper has three chances to guess who made the sound.
- Wi-fi (wireless high five or air five) the zookeeper. The player who made the animal sound switches places with the zookeeper.

CONFLICT-RESOLUTION TIP

If the zookeeper points between two people, have them do rock-paper-scissors to determine who will make the animal sound.
