

LINE MATH

This game is a brain buster! Kids exercise their minds and their bodies in this Recess Enhancement Program (REP) game, Line Math.

LINE MATH

Who: Grades K-8

Players: 10+

Time: 10 minutes+

Where: Gymnasium, playground

Equipment: Cones

HOW TO PLAY

- Players line up standing 6 feet away from each other. The leader will split players up into teams of three.
- The leader will set up five cones at different distances along one side of the gymnasium or playground.
- When the leader calls out a math problem ($2+1=?$), the first player in each line will run the distance to the answer. In this case, three cones.
- Once the first players run back, the next player in each line will run when the leader calls out another math problem ($8-6=?$). In this case, two cones.
- Continue the relay until each player gets a chance to run, then start the next round.

CHECK FOR UNDERSTANDING

- What is $10-5$?
- What is 2×2 ?

GAME TIP

- Demonstrate a round before beginning the game.

CONFLICT RESOLUTION TIP

- Have players cheer each other on.

PLAY: REP IT OUT

Easy: Hop, skip, or gallop.

Medium: Use multiplication.

Hard: Use division.
